As co-founder and director of Innovation Station the first coworking space in Guilan Connecting people and creating opportunities is one of my biggest goals. I've been helping startups and businesses as a long time community builder and event organizer, from a volunteer to organizer and team leader. Some my main works are Freeland (2018-2019 the largest freelancing conference and exhibition ...in Iran), Interaction Design Conference (2018), Tedx University of Guilan and

At TEDxUniversityofGuilan, we believe passionately in the power of ideas to change attitudes, lives and, ultimately, the world. Our mission is twofold: First, to build a clearinghouse of free knowl- edge from the University of Guilan and Guilan's most inspired thinkers; Second, to provide a platform to discuss these ideas worth spreading thereby fostering community of change makers
